

## ESA Cycle of lectures

**November 29, 2006**

ESA will give a cycle of lectures in the context of the SpaceMaster programme. Everyone is very welcome to participate!

### AGENDA

9:00 – 9:20 hrs HS4	Introduction to ESA and SpaceMaster	E. Grifoni
9:20 – 12:20 hrs HS4 (until about 10:00) ÜR II (AH003) (from 10:00 – lunch)	Planning and Management of a Space Project	R. Barbera
12:30 – 13:30 hrs	Lunch break	
13:30 – 14:30 hrs Turing HS	Microgravity Research	E. Istasse
14:30 – 15:30 hrs Turing HS	Scientific Aspects of the Aurora Programme	M. Coradini
15:30 – 15:45 hrs Turing HS	Closing Remarks and Career Opportunities	M. Berntsen
15:45 – 16:00 hrs Turing HS	Questions and Discussion	

HS4 – Lecture Hall 4 in the Scientific Lecture Hall Building

ÜR II (AH003) – Exercise Room II Computer Science Building Basement

Turing HS – Lecture Hall Computer Science Building

## ESA Vorlesungen

**29. November 2006**

Im Rahmen des SpaceMaster Programms gibt die europäische Raumfahrtorganisation einen Tag lang Vorlesungen zu verschiedenen Themen. Zu diesen Vorträgen laden wir alle Interessierten herzlich ein!  
Die Vorträge finden in englischer Sprache statt.
